*Spiral Lessons – please cover all specified but you may be able to condense any recap lessons

Green- Early Language, orange- intermediate, red – Progressive.

Units in white font- listening units linked to topic- can be used to support topic learning and you may wish to adapt the planning to suit your class's ability, particularly as the units become more advanced (year 5 & 6) For example- listen to the song and try to translate. The aim is to make it enjoyable and interesting!!
